Lincoln Electric has combined the resources and expertise of several leading companies to create a single cutting group to address every possible customer need. Now, in partnership with ENGS Commercial Financial, we are offering attractive terms on our Cutting Solutions equipment through the remainder of 2021. We are excited to offer No Payments until January 2022* on all new purchases of PythonX STRUCTURAL, PythonX SPG and PythonX PLATE purchases.

*Offer contingent on satisfactory credit review and approved financing from ENGS Commercial Finance Co.

*Offer available only in the US and Canada.
